

Leading Maths Teachers in Gloucestershire 2009 -10

Welcome to the updated 2009/10 Gloucestershire Directory for Leading Mathematics Teachers (LMTs), in the Foundation Stage, KS1 and KS2. We are grateful to our LMTs for offering their time to share their expertise with colleagues.

LMTs support the continuing professional development of mathematics teachers in Gloucestershire through:

- Peer observations based in LMT's own classroom
- Specialist support - e.g. Subject Leadership, APP, Mixed age planning, use of ICT, SEN, Planning for PSRN in the Foundation Stage etc.
- Their role as a 'Maths Buddy' for a group of local schools to advise on promoting and supporting the enjoyment of mathematics- e.g. through Maths Days, events for teachers, events for parents etc.

The areas of support for each LMT are listed, along with their contact details, in this Directory.

We hope that you will find the Directory and the opportunities it offers useful.

If you have any questions, please do not hesitate to contact: -
helenr.davies@gloucestershire.gov.uk - 01452 427288 -
who will be very happy to help.

13	Olivia Kelly	Uplands Primary	Year 5/6	01453 762409	deputyhead@uplands.gloucs.sch.uk	<ul style="list-style-type: none"> ▪ Subject leadership • KS1 Planning. • APP and AfL.

Additional Support: -

- Sally Bloomfield (AST) - Dinglewell Junior School , Gloucester - 01452 617376
- Bob Owen (ex Gloucestershire Primary Mathematics Team) - Robinswood Primary School, Gloucester - 01452 530430

What next?

- The school decides which teachers would benefit from visiting an LMT, based on their identified professional development needs - e.g. change of year group, follow up to a CPD event, etc.
- The teacher decides who they would like to see and contacts the LMT to discuss the time, date and **focus of the visit**.
- The teacher arrives in time for pre-lesson discussion with the LMT.
- After the lesson, key points are discussed and personal action points agreed.
- Follow up visit arranged to review impact of action points, if appropriate
